

ivy newsletter

FRIDAY, APRIL 16TH, 1971

We are pleased to announce that starting with this mini-issue, the Ivy staffers will be issuing the ivy newsletter twice a month, from September to June, on the first and third Fridays of each. We hope that it will serve as a means of central communication between all members, and as a forum for the discussion of matters of mutual concern. With this in mind, we invite contributions from all stations, to be sent to ivy newsletter, 242-A Yale Station, New Haven, Connecticut, 06520.

We remind all members once again of the upcoming Annual Meeting to be held on Saturday, April 24th, in New Haven. We will be meeting in slightly larger quarters this time -- due to popular demand -- specifically, the Torch Room of Sheffield-Sterling-Strathcona Hall, Yale University. As far as finding the room, it's on the fourth floor. As far as finding the building, ask for "SSS" and use the map we hope you all got with the official notice which left our office on March 26th.

Of special interest at this meeting: (above and beyond the usual scintillating discussion) Walt Wagoner of the Connecticut Bar will be on hand to talk with those interested in recent FCC goings-on; Joe Grundfest of WYBC will be around to answer questions about the News Network; and, coincidental with all this, we will host everybody at an Open Bar - Smorgasbord lunch.

At the moment, we have written notice of intent to attend from the following member stations: WBRU, WDCR, WESU, WHRB, WMS, WRSU, WRUC, WTBS, WTBU, WXPB, WYBC. We hope that we will hear from all stations in the near future, and see all Directors on April 24th at what promises to be a most interesting meeting.

Chairman George Schweitzer (WTBU) wants to remind all stations of a new "Travel Aid" plan that will go into effect at this meeting in response to a motion at the winter gathering. You may recall that it was felt that some stations had to travel unduly long distances to attend Ivy meetings, and that we should provide some method of reimbursing the distant stations for some part of the trip. As a consequence, all stations outside a 150-mile radius of New Haven will be paid ten cents per mile for every mile above 150 they have to travel. Payment is for one person only, and can be had by speaking with George. Eligible are: WVBR (\$21.60), WDCR (\$12.00), WXPB (\$7.20), and WLRN (\$6.40). We hope this makes things about equal for everybody.
